

ELEVATE 2022-2023

A Special Education & Learner Services Program

Elevate Annual Fee

(IEP/504/Monitoring/Study Lab/Resource Lab)

\$550.00	Basic services requiring minimal interaction with staff including monitoring – no lab time
\$1,100	Students requiring some interaction with staff as well as limited lab time each week (1 lab)
\$2,200	Students requiring daily interaction with staff and more extensive lab time each week (2 or more labs)

Occupational & Speech Therapy

VCS has partnered with Powdrill Occupational & Speech Therapy. They will work with students one-on-one for their required therapy needs during school hours. Therapy services are required for students with the specific need as indicated by their IEP/504. *If a student receives occupational or speech therapy services outside of VCS, parents can provide proof in order for these services to be waived.*

\$25.00 per 15 minutes of either occupational or speech therapy.

Billing of Fees

Fees are not subject to any discounts. Elevate program fees will be added to the family's payment agreement. Occupational & speech therapy will be billed separately through FACTS on a monthly basis and due Net 30.

Lindsey Nicole Henry Scholarship Recipients

LNHS awards will be applied towards tuition first, before any applicable discounts. If additional funds are available then applied to Elevate fees and finally therapy fees.
