

5th Grade Summer Reading 2024-2025

Due: August 28th

This Reading assignment is for all incoming 5th graders at Victory Christian School. We value the skill of reading and recognize the importance of continuing to read over the summer. I also hope this helps create a love of lifelong reading as they learn to enjoy and appreciate great books. This summer they will have two choices to pick from. ***Brady*** by *Jean Fritz* or ***Misty of Chincoteague*** by *Marguerite Henry*. If your child is having a challenge getting started or just to join in on the fun, try taking turns reading out loud or reading the book along with your child and discussing it together.

Attached to this document you will find 5 different projects you can choose from. The thoroughness of following the instructions will demonstrate your reading comprehension. Please refer to the rubric as a guide to completing the project. I would advise having a journal or sticky notes with you as you read to jot down notes and ideas. If you have any questions throughout the summer, you may email me at diser@victory.com or Lhull@victory.com If you enroll on or after July 31st your project is due on September 11th.
