

# 6<sup>th</sup> Grade Summer Reading 2024-2025

**Due: August 28<sup>th</sup>**

This Reading assignment is for all incoming 6th graders at Victory Christian School. We value the skill of reading and recognize the importance of continuing to read over the summer. I also hope this helps cultivate a love of lifelong reading as they learn to enjoy and appreciate great books. This summer you will have two choices to pick from. ***My Side of the Mountain*** by Jean Craighead George or ***Out of the Dust*** by Karen Hesse.

Attached to this document you will find the instructions for making a hanging pennant. You will need to print this packet. There are 5 pennant choices, **you are to choose 3 pennants** to demonstrate your reading comprehension. Once you have completed three, attach them to string or yarn so that they hang like a banner. Please refer to the rubric as a guide to completing the project thoroughly. I have also included one example page as a visual to help you with your final product. I would advise having a journal or sticky notes with you as you read to jot down notes and ideas. If you have any questions throughout the summer, you may email me at [diser@victory.com](mailto:diser@victory.com). If you enroll after or on July 31 your project is due September 11<sup>th</sup>.
