

# **8<sup>th</sup> Grade Summer Reading Assignment**

## **School Year 2024-2025**

Hello VCS 8<sup>th</sup> graders! I hope you're having a good summer so far! You do have a summer reading assignment because independent reading is one of the best things you can do for your brain. Study after study has shown that reading for just 20 minutes per days greatly increases your vocabulary, enhances your reading comprehension, and will actually help you understand your other school subjects better. For your assignment, please choose two books from the following book list to read. There is a variety of books, and they are not meant to be too deep and heavy- it is summer after all! Please choose books from different genres. For example, choose one realistic fiction and one autobiography, or one historical fiction and one science fiction. When you have completed your reading, please complete one of the attached "Book Notes" pages for each book. You may also use notebook paper to complete this assignment. Please have both pages of "Book Notes" ready to turn in the first week of school. If you enroll after July 31, you will be required to read only one book and complete one "Book Notes" page. We will use these notes to write a literary analysis at the beginning of the year. You will not need to write an analysis before returning to school. Just make sure you have read your books and then bring the completed "Book Notes" pages by Friday, August 16. I will remind you on our first day of school, which is Wednesday, August 14!! If you have questions, you may email me at [cmabe@victory.com](mailto:cmabe@victory.com). Praying you all have a restful, relaxing summer and I can't wait to see you in class!
